BE KIND | BE BRAVE | BE THE BEST YOU

Music Lessons at Sheldon

Learning a musical instrument is great fun and has been shown to also improve performance in other subjects. It develops creativity, discipline and gives young people a chance to express themselves. We have a strong tradition of talented young musicians at Sheldon and our concerts are a highlight of the school year!

Along with our music curriculum, we offer Sheldon students an opportunity to take individual music lessons from our peripatetic music teachers. These lessons are arranged independently with each teacher and take place at Sheldon during school hours. Please contact the teacher directly for more information.

Funding opportunities for instrument rental and lessons may be available through Wiltshire Music Connect for families on low incomes. We also offer Year 7 students a discount on music lessons. No previous experience is required.

For more information, visit www.sheldonschool.co.uk
