Key messages (inc. community, wellbeing etc):

Welcome to the first Weekly Notes of the year. This is where you will find notices about upcoming events in school, reminders about expectations, info about the PDC, university events, employment and apprenticeship opportunities and of course – Pet of the Week!

It is sent to tutors to use in tutor time as part of the PDC but it is also sent directly to students so you can access links etc in your own time. Students have found jobs, work experience etc by doing this. Weekly Notes are also shared on the website for your parents to see.

Can you please complete the form sent out about a possible trip to the UK University & Apprenticeship

Some reminders and answers to questions from week 1:

- Lanyards should be worn around your neck at all times whilst on site
- Crop tops, really short shorts/skirts and joggers are not part of the dress code
- The only piercings that are allowed are in your ears and nose studs. Bars, hoops etc need to be removed
- If you are late you will be in lunch time detention unless there is a good reason and/or parents have been in touch
- Yr12 do not have any home study until Jan 2024 at the earliest. You are allowed off-site at lunch time
- Yr13 will have the same amount of home study they had last year (2 doubles for most students) **but we cannot get this on the system until next week** so please just let your tutor know which slots you want and then be patient. **Please be in school at all times this week. DO NOT COME TO THE OFFICE TO ASK ABOUT THIS**
- All students should fill out blue forms for any appointments that cannot be avoided during the school day. You must sign in and out at the office
- There will be lots more info about enrichment activities, volunteering etc coming up soon. EPQ, Core Maths, BSL etc won't start for a week or two so you are not missing anything. If you want to start making arrangements / enquiries about volunteering in or beyond school please go ahead

Work experience, employment and apprenticeship opportunities / information:

Katie Witchell– our Careers Adviser is available to you all. You can email her directly at kwitchell@sheldonschool.co.uk to make an appointment or you can drop-in to the Careers Hub near the hall on Thursday or Friday lunch times.

What is LMI? Why is it important and where can find it?

LMI is Labour Market Information. It is useful and important because it tells you what jobs are available, which are on the increase/decrease, what the pay is like etc. You can find LMI in the Careers Newsletter that comes out every week or so. You can also find it on every careers page in the Careers Library on Unifrog.
