What is LMI? Why is it important and where can find it?

LMI is Labour Market Information. It is useful and important because it tells you what jobs are available, which are on the increase/decrease, what the pay is like etc

You can find LMI in the Careers Newsletter that comes out every week or so. You can also find it on every careers page in the Careers Library on Unifrog.

Thursday 12 Jan 2023 | 18:00-19:00

Ask Me Anything About Engineering Apprenticeships

Have you got questions about Engineering Apprenticeships?

Then why not come along to this **hour long** session to ask all your questions to **top brands in the industry!**

This session is all about you getting the answers you need to **help you pursue your dream career.**

More brands are to be announced but so far you will get to hear from **GSK** who are at the forefront of medical discovery due to their science, engineering, and innovation. As well as, **Dyson** who have their products in over 65 countries and over 1000 engineers worldwide. It is really not an event to miss!

Sign up for free: <https://pathwayctm.com/event/ask-me-anything-about-engineering-apprenticeships/>

Year 12 – Pathway to Bath – apply now!

<https://www.bath.ac.uk/campaigns/pathway-to-bath-programme/>

Deadline – 31st January 2023

What is Pathway to Bath?

Pathway to Bath is a free blended learning programme that gives students the chance to develop key skills for university study and beyond. You'll work online alongside experienced staff and current students and have the opportunity to attend a free 3-day summer residential visit to experience life as a student at Bath.

The programme is designed to fit around your busy A level (or equivalent) schedule - you can work through the sessions wherever and whenever suits you. You can also gain a reduced offer to study at Bath (see details below).

We are excited to announce that our Aspire conference is back! For those who are new to TMP, here's a little about Aspire:

Our Aspire conference is aimed at aspiring medic students from ages 14 to 17. They will learn the secrets of getting into medical school from a really impressive set of speakers within the medical field. It's a great way to help young people who are considering applying for medicine or to prepare students who have already decided on medicine and want to ensure they are competitive applicants.

Speaker line up

- Dr Hiten Patel, cardiology higher speciality trainee in East Sussex, Brighton and Worthing
- Professor Henrietta Bowden-Jones OBE, medical doctor and neuroscience researcher working as a consultant psychiatrist in addictions and advisor to the UK government

- Professor Maggie Rae, President of the RSM's Epidemiology & Public Health Section and President of the UK Faculty of Public Health (FPH)
- Professor Elizabeth Hughes is Deputy Medical Director of Health Education England with specific responsibility for Undergraduate Medical Education.

Location: Royal Society of Medicine, 1 Wimpole St, London W1G 0AE

Time: 10am - 3pm

Price: £50 full price (Early bird price £42.50 available until 31st December)

For more information please check out <https://www.themedicportal.com/courses/aspire/>
