Work experience, employment and apprenticeship opportunities / information:

Katie Witchell – our Careers Adviser is available to you all. You can email her directly at kwitchell@sheldonschool.co.uk to make an appointment or you can drop-in to the Careers Hub near the hall on Thursday or Friday lunch times.

What is LMI? Why is it important and where can find it?

LMI is Labour Market Information. It is useful and important because it tells you what jobs are available, which are on the increase/decrease, what the pay is like etc. You can find LMI in the Careers Newsletter that comes out every week or so. You can also find it on every careers page in the Careers Library on Unifrog.

- Gain experience by attending **workshops** led by **world-leading academics**
- Gain insight from **current students** and recent applicants
- Get a real taste of what university life is like
- Develop those all-important **transferable skills** that will be crucial in a future career
- Gain experience which will allow them to **stand out from their peers** as it will strengthen their personal statement and UCAS application

The 3 day residential summer school priced at £150 per person.

(This price includes accommodation, all activities and all meals throughout the stay. Financial assistance may be available)

If your students are interested in learning more about our Residential Summer School or studying a Medicine, healthcare-focused or psychology related degree, they can **register their interest** to find out more.

National Trust - Time + Space Award

Award worth £5K for 16-25yrs to bring their big ideas to life!

The National Trust has just launched the [Time + Space Award](#), offering 16 - 25 year olds the chance of time, space, support and inspiration to unlock their ideas at Sir Isaac Newton's home in Lincolnshire, where he discovered gravity and the famous apple tree still stands in the garden.

Each award will be up to the equivalent value of £5000, which will be a bespoke package of mentoring, time with experts and extra support and expenses to help winners realise their big idea. These experts include Professor David Olusoga, British space scientist Dame Dr Maggie Aderin-Pocock, zoologist, wildlife TV presenter and science communicator Megan McCubbin and TV presenter, social & environmental activist Tayshan Hayden-Smith.

Closing date for applications is 30th April 2024.
