

Your Heart Hospital 2024

Understanding the Causes, Prevention and Treatment of Heart Disease

In partnership with the British Cardiovascular Society

Tuesday, 22nd October 2024

***Postgraduate Medical Centre, Royal United Hospital
Bath NHS Foundation Trust***

Course Directors: ***Dr. Raveen Kandan, Dr. Rory Wilkinson, Dr. David Murphy***

This meeting has been developed for Year 11/12 school students to help understand the causes, prevention and treatment of heart disease, appreciate what happens in a heart attack centre and to learn practical resuscitation skills. It will also give insight into careers in healthcare.

Dear Delegate,

We would like to invite you to attend Your Heart Hospital 2024.

During the course you will learn about the causes, prevention and treatment of heart disease as well as what happens in a modern heart hospital. You will be taught practical resuscitation skills and have the opportunity to speak to doctors and allied healthcare professionals about careers in healthcare.

This is the 5th year we are hosting this event. Previous meetings were well received and oversubscribed. Please register your attendance via the event website. We look forward to welcoming you to what promises to be an exciting, educational and interactive meeting.

Yours sincerely,

Dr. Raveen Kandan
