Changing times

- In 2021 we had a mixture of physical and virtual placements
- Since 2022 the majority of students go out on a physical placement, but some still preferred to do a virtual placement
- Many of the virtual opportunities are in the holidays or at weekends so some students did both a virtual placement AND a physical placement.

Sheldon School

BE KIND | BE BRAVE | BE THE BEST YOU

Unofficial overview

"Oxford Brookes is spread across three suburban campuses in Oxford and the small university city has a friendly feel. Oxford Brookes pioneered the module system of study and the academic year is split into two semesters rather than three terms. The university has a strong reputation for sport, and there are also strong links with industry. Despite the fact that the city is tiny, nightlife is lively and students enjoy studying here."
