

October 2025

Dear Parent / Guardian

Information Evening – Year 10 Work Experience

At Sheldon we recognise the need for our students to prepare themselves for their future lives. We see that an opportunity to carry out a work experience placement is an important part of our curriculum.

During the summer term your child will be carrying out a week's work placement and although this seems a long way ahead, the planning starts now!

Therefore, I would like to invite you to an information evening to enable me to give an insight into the whole work experience programme. This will take place on Wednesday 15th October 2025 at 6.00pm in the Main Hall lasting about one hour. Your child has already had an assembly about this and may have already spoken to you.

Please complete the electronic form below to indicate your attendance. If you are unable to attend, the presentation will be uploaded onto the school website the day after.

I look forward to meeting you.

Yours faithfully

MRS T TILLOTSON

Work Related Learning Co-ordinator
